### Message From the Secretary

We have no room for rain makeups, If we decide to have rain makeup it will be on Tues or Thursday.

Papio Y is the only field with lights, Officials might be a problem also.

We tried to use everyone fields, We had an a lot of fields to choose from. Primary fields were selected due to turf.

Then the size of organization.

Every Year we try to accomidate every request. I think we do a very good job doing that. I

know it is not perfect But I do think this is a very good schedule. Make sure you Thank

Steve Hall, Tim Papstein, Jeral Moreland for the time they have invested in helping put this together.
